

CLAUD E. KITCHENS OUTDOOR SCHOOL at FAIRVIEW

"The Mission of the Claud E. Kitchens Outdoor School at Fairview is to prepare students through unique experiences to be life-long learners and responsible citizens by developing a global understanding of the environment in which they live. "

STEM is integrated into the existing 5th grade program by design and also embedded within day trips that Fairview staff facilitates

<http://claudekitchensoutdoorschoolatfai.weebly.com/>

Students learn about how human actions can impact ecosystems
