Or MORE in Potential Savings

## Savings Up to \$17,500

Nissan is pleased to extend a special incentive of **\$10,000 off of the MSRP to all current and new Constellation electric supply customers** who PURCHASE a LEAF from dealer inventory. The \$10,000 incentive is used in the form of a rebate and cannot be combined with other offers. If a consumer decides to finance the vehicle, NMAC **special annual percentage rates (APRs) DO NOT apply**, only standard rates apply. The terms of this offer are between you and Nissan.

**Eligibility requirement:** Show a copy of your current electric bill that shows Constellation as your electric supplier or your enrollment email confirmation from Constellation (if recently enrolled) at the dealership.

### Additional savings:

After the sale, the consumer can apply for the Federal Tax Credit of up to **\$7,500<sup>4</sup>**.

State and additional EV incentives may also apply, some can be applied at the time of sale to decrease the purchase price!
