The AIB and State Board continue to collaborate in the implementation of the landmark Blueprint for Maryland's Future legislation that transforms the State's education system to provide a world-class education for all children in Maryland. The Blueprint provides unprecedented State investment in new programs and innovative approaches organized in five pillars: Early Childhood Education; High-Quality and Diverse Teachers and Leaders; College and Career Readiness; More Resources to Ensure that All Students are Successful; and Governance and Accountability. The meeting will feature a review of the first four pillars, along with a discussion centered on aligning visions and defining success.

For more information about the Blueprint for Maryland's Future and the work that will enrich student experiences, accelerate student outcomes, and improve the quality of education, please visit:
